The Grade 3, \$500,000 Ohio Derby drew two colts who won Grade 2 races on the Kentucky Derby trail earlier this year, with standout riders to pilot them. Irap and Julien Leparoux caught Girvin and Mike Smith on the wire for the victory at Thistledown on June 24.

Irap has now won two of his last three starts, both graded stakes scores, after going winless through the first seven starts of his career, although with two graded placings in that span.

The Tiznow colt, trained by Doug O'Neill for Reddam Racing, broke his maiden in the Blue Grass Stakes at Keeneland under

**CONTINUED**

a cagey ride from Leparoux, shadowing the pace before pouncing with an early move and holding sway. But Irap and Mario Gutierrez – who picked up the mount for the Kentucky Derby with Leparoux committed to Classic Empire – finished 18th in Louisville, a victim of problems at the break and then encountering traffic later.

Leparoux got back aboard Irap seven weeks later for the Ohio Derby, which also marked the return of Girvin, winner of the Risen Star and Louisiana Derby, before finishing 13th in Kentucky under Smith.

Girvin sat a stalking second early as Fast and Accurate, winner of the Grade 3 Spiral Stakes on Turfway's Polytrack this spring, led the field through a moderate opening half of 48.04 seconds. Meanwhile, Irap (\$7.60) had been shuffled back to sixth after breaking from the inside post – not exactly the plan, although he was just over two lengths behind the leader in a bunched-up field.

"[O'Neill, by phone] said, 'You know the

horse, just remember that you have to ask him pretty early – around the half-mile pole, try to get going,' " Leparoux said. "I said that I thought from the one hole, we had to get good position in the first turn. We wanted to break good and put him in a good position. We got a little bit farther back in the first turn, but I was right behind Mike Smith, so I knew that was the right horse to follow."

Girvin assumed the lead approaching the end of the backstretch as Fast and Accurate backed out of contention, and briefly engaged with Vibe around the far turn. Meanwhile, Leparoux was patiently working Irap three wide for a clear run. Girvin turned back his challengers on the front end for a clear lead in the stretch, but Irap was now rolling, steadily cutting into the margin in the final stages, despite his foe drifting out slightly. The two hit the wire together, with Leparoux uncertain if he had gotten there.

"He has a long, long [stride], so I was able

to get him out and get him going pretty early and get there on time," Leparoux said. "Too close to call. I came out, and Mike came out a little bit."

The final time was 1:50.48.

After the top two, it was 4 1/4 lengths back to multiple graded stakes-placed Untrapped, who had finished 12th in the Kentucky Derby. The order of finish was completed by Sorry Erik, Game Over, Hinton, Talk Less, Vibe, and Fast and Accurate.

It's not too often that a horse wins three races at a Churchill Downs spring meet anymore, and it's nearly impossible to win three stakes. But that's what Finley'sluckycharm did on June 24 when punching her ticket to Saratoga with a 2 1/4-length triumph in the 28th running of the Grade 3, \$100,000 Chicago Handicap.

Confidently ridden on the early lead by Brian Hernandez Jr., Finley'sluckycharm was kept to her task with a series of right-handed taps down the stretch before completing seven furlongs in 1:22.17 over a fast track. She returned \$2.60 after carrying the high weight of 124 pounds.

"She laid right up there the way she does," said Hernandez. "I just try to stay out of her way."

Ivy Bell finished second at 24-1, 2 1/2 lengths before Mayla in the field of 10 fillies and mares. They were followed by She Mabee Wild, Kathballu, Covey Trace, Athena, Sweetgrass, Stageplay, and Pleasant Tales.

Owned by Carl Moore Management, Finley'sluckycharm won the ungraded Roxelana on April 29, opening night of the spring meet, then added the Grade 3 Winning Colors four weeks later. She now is 6 for 6 at Churchill, where her latest races figure to set her up perfectly for her next two starts, both at Saratoga — the Grade 2 Honorable Miss on July 26 and the Grade 1 Ballerina on Aug. 26.

"We'll probably send her up there about July 14," said trainer Bret Calhoun. "She does love Churchill Downs, but she likes pretty much every track she runs on."

Finley'sluckycharm, a Kentucky-bred 4-year-old by Twirling Candy, now has won eight of 10 career starts and earned \$403,368.

Billy Denzik, the trainer of Ivy Bell, said he was thrilled with how the filly ran in her stakes debut. "Our goal was to get her graded-stakes-placed, so this is almost like a win," said Denzik. "We'll probably run next at Ellis Park" in the Grade 3 Groupie Doll on Aug. 13.

This was the first time the Chicago was run somewhere other than its original home, Arlington Park. Owned by Churchill Downs, Arlington has undergone a severe purse crunch amid declining business, which prompted the switch. One other Arlington fixture, the Grade 3 Matron, was run earlier at the Churchill meet.

In a performance that was little more than a trial, Battle of Midway won his first stakes in the Grade 3 Affirmed Stakes for 3-year-olds at Santa Anita on June 24.

The \$98,000 Affirmed Stakes was considered a prep race for Battle of Midway for the Grade 1 Haskell Invitational at Monmouth Park on July 30, one of the top summertime race for 3-year-olds.

"Timing-wise, it seems to fit," trainer Jerry Hollendorfer said.

The Affirmed Stakes was Battle of Midway's first start since a third-place finish in the Kentucky Derby.

Battle of Midway (\$2.20) led throughout 1 1/16 miles in the Affirmed Stakes, drawing off to win by 4 1/4 lengths in 1:43.25. Ridden by jockey Flavien Prat, Battle of Midway led by a length on the first turn, by a half-length on the backstretch and by a head over runner-up B Squared on the turn before pulling clear.

"He's better with a target, but there was no pace," Prat said. "He broke sharp and went on his own. When B Squared came to him, he was more focused on his job and made a nice run. He did everything right."

Battle of Midway, who is by Smart Strike, set slow fractions of 24.50 seconds for the opening quarter-mile and 48.88 for a half-mile. The race had only four starters.

Term of Art, who finished last of 10 in the Preakness Stakes on May 20, finished third, beaten 9 3/4 lengths by Battle of Midway. Quiet Dude, a former maiden claimer, finished fourth.

The Affirmed was Battle of Midway's third win in six starts. He was third in the Grade 2 San Vicente Stakes in February and second in the Grade 1 Santa Anita Derby in his stakes appearances before the Kentucky Derby.

Owned by Don Alberto and WinStar Farm, Battle of Midway has earned \$550,000.

"We think he's improving more and more," Hollendorfer said.

Collected had won the Grade 3 Precisionist Stakes by 14 lengths at Santa Anita when trainer Bob Baffert met jockey Martin Garcia on the track.

The margin of victory in the \$100,000 Precisionist Stakes on June 24 caught Baffert delightfully by surprise – and gave him a chance to tease Garcia.

"I told him, Dude, it's \$100,000," Baffert said.

Collected took the lead in early stretch and drew away with minimal urging from Garcia's whip to win by the flashy margin. Collected (\$3.20) ran 1 1/16 miles in 1:41.52, beating stablemate Cat Burglar, who finished 1 3/4 lengths in front of Accelerate.

Donworth, in his first start since a third-place finish in the Grade 2 Charles Town Classic in West Virginia in April 2016, finished fourth, well clear of Keane, a Group 1 winner from South America who had his first United States start in the Precisionist.

Collected remained unbeaten in three starts, all stakes, with the victory. Earlier this year, he won the Santana Mile on April 1 and the Grade 2 Californian Stakes at 1 1/8 miles April 22.

Collected, who races for Peter Fluor's Speedway Stable, was held out of the Gold Cup at Santa Anita on May 27 after Baffert said he was unsatisfied with the 4-year-old colt's condition. There were concerns at the time regarding how Collected would perform at 1 1/4 miles. The stable won the race with Cupid.

"I didn't want to run him in the Gold Cup because he didn't work that well," Baffert said. "I think the middle distances are for him."

Collected, by City Zip, is considered a long-term candidate for the Breeders' Cup Dirt Mile at Del Mar on Nov. 3. Collected is likely to run in races ranging in distance from a mile to 1 1/8 miles in coming months, and could be tried on turf.

"If I can keep him in races like that, he seems to be tough," Baffert said.

Collected has won 7 of 10 starts and earned \$660,500. The Precisionist was his sixth career stakes win.

Collected was turned out in 2016 after finishing 10th of 11 in the Preakness Stakes.
