A wet and gloomy afternoon was no hindrance to Accelerate in the Grade 1 Santa Anita Handicap on Mar. 10.

Racing on a wet-fast track for the second time in his career, Accelerate won the biggest race of his career in the \$600,345 Big Cap, handling the rain-soaked surface without difficulty.

Ridden by Victor Espinoza, Accelerate (\$7 to win) splashed clear in the final furlong to win by 5 1/2 lengths over pacesetter Mubtaahij.

The race distance of 1 1/4 miles was a concern before the race for winning trainer John Sadler, who watched Accelerate finish third in the Grade 1 Pacific Classic at the same distance behind Collected

and Arrogate last August. The conditions in the Big Cap played a role, Sadler said.

"I'm a little bit suspect at a mile and a quarter," Sadler said. "Mud will make a horse go farther if they can handle the track."

Espinoza was not sure Accelerate liked the surface in the first furlong.

"At first, he was a little confused for the first 20 yards and after that he was better," Espinoza said. "When I passed the wire for the first time, he got into his rhythm and I was confident."

Mubtaahij, the winner of the Grade 1 Awesome Again Stakes in September, set a moderate pace of 23.49 seconds for the opening quarter-mile and 47.99 for a half-mile. Accelerate was second for the first six furlongs, racing outside of Mubtaahij.

"We were hoping to be in the clear and a little off the pace," Sadler said. "You don't want to be eating all the mud."

Accelerate was within a head of Mubtaahij on the turn and led by a half-

length as the field approached the stretch. Accelerate was timed in 2:01.83.

Mubtaahij, who was the third choice and also 5-2, held second, seven lengths clear of Fear the Cowboy. Mike Smith said Mubtaahij could not keep pace with Accelerate, and that salvaging second was a goal in the stretch.

"I wasn't as loaded as he was," Smith said.

Fear the Cowboy, who finished fourth in the \$16 million Pegasus World Cup at Gulfstream Park on Jan. 27, was followed by Giant Expectations, Top of the Game, Prime Attraction, and Curlin Road.

Accelerate, a 5-year-old by Lookin At Lucky, has won 6 of 17 starts and earned \$1,267,480. In his only start on a wet-fast track, Accelerate was second in the Grade 2 San Pasqual Stakes in 2017.

The Big Cap was Accelerate's fourth stakes win.

Jockey Corey Nakatani's patience helped Bowies Hero win his most prestigious race in the Grade 1 Frank Kilroe Mile at Santa Anita on Mar. 10.

While What a View and Om set a quick pace, Nakatani had Bowies Hero in fifth place for the first half-mile. The strategy left Bowies Hero with plenty of energy to lead by a length with a furlong remaining and hold off a determined closer in Next Shares to win the \$401,035 race by a half-length.

"I had a feeling they would go really fast," Nakatani said. "I had to get him into his rhythm."

Bowies Hero (\$18.60 to win) ran a mile on turf in 1:33.61 to record the richest victory of his career. He has won five stakes, all in

one-mile turf races.

Bowies Hero won the Grade 2 Mathis Brothers Mile for 3-year-olds on turf Dec. 26 and was a game second to Om in the Grade 3 Thunder Road Stakes at a mile on turf Feb. 10 in his first start against older horses.

Despite his credentials, Bowies Hero was overlooked in a Kilroe field that included World Approval, the winner of the Breeders' Cup Mile at Del Mar last November and the 2017 champion turf male.

World Approval was 1-2 to win his fifth consecutive stakes in the Kilroe but did not perform to expectations. World Approval was fourth on the backstretch but was no threat to the leaders in the stretch, finishing fifth by about 3 3/4 lengths under jockey Flavien Prat.

Trainer Mark Casse spoke with Prat after the Kilroe and said World Approval did not have an excuse.

"He was flat," Casse said by phone from Florida.

"All champions can have a bad day, I guess. He's run so many good races. We like to run and sometimes it doesn't work out."

What a View, who won the Kilroe Mile in 2016, set a pace of 22.79 seconds for the opening quarter-mile and 45.46 for a half-mile, closely followed by Om, who won the Grade 3 Thunder Road Stakes at a mile on turf on Feb. 10.

What a View held a one-length lead with a quarter-mile to go. At that point, Nakatani had Bowies Hero three lengths off the pace and found space between runners in early stretch to take the lead.

"That's what you're supposed to do," he said of the ground-saving trip. "When I had a chance to go, we did."

Next Shares, who was third in the Thunder Road, closed from sixth in the final quarter-mile to just miss. Ridden by Rajiv Maragh, Next Shares was five wide entering the stretch.

"It cost him the race," trainer Richard Baltas said of the wide trip. "I know he was training unbelievably. The other horse got a better trip. Nakatani gave a great ride."

Channel Maker, a 7-1 shot trained in Florida by Bill Mott, finished third.

Bowies Hero has won 6 of 13 starts and earned \$641,325 for Agave Racing Stable, ERJ Racing, and Madaket Stables.

City of Light gave Drayden Van Dyke the most meaningful and emotional four-bagger of his young career on Mar. 10 at Santa Anita, and the jockey let it show at the finish of the Grade 1 Triple Bend Stakes.

The normally reserved Van Dyke pumped his fist excitedly when City of Light finished 1 1/2 lengths in front of Bobby Abu Dhabi in the seven-furlong stakes, Van Dyke's fourth winner from the first four races on the Big Cap card.

"When I crossed the wire, that was the one of the best feelings I've had since I started," Van Dyke said. "I kind of let one out a little bit. To win on that horse is very meaningful, not just for me, but for Dr. McNamara."

Robert McNamara, who died unexpectedly on Feb. 23, was Van Dyke's dentist and the father-in-law of Michael McCarthy, City of Light's trainer. McCarthy is married to McNamara's daughter, Erin.

"He loved this horse," McCarthy said about McNamara. "It was his first favorite horse. We used to talk about him all the time."

City of Light's second Grade 1 victory of the Santa Anita winter meet – he won the Malibu Stakes on Dec. 26 – established the colt as one of the top sprinters in California after his 1:21.35 victory in the seven-furlong stake.

It was not easy. City of Light is typically more agreeable to rating tactics, but with two and a half months between starts and a cancelled trip to Oaklawn Park, McCarthy had to train the horse rather than race him.

"My horse was a bit keener the first three-sixteenths of a mile than I expected," McCarthy said. "Usually when they pull, they pull, and when they pull ... they go flat."

City of Light did not go flat. He chased front-runner Bobby Abu Dhabi and wore

him down in the final sixteenth of a mile. McCarthy said he would eventually stretch out the son of Quality Road.

Edwards Going Left finished third, 4 1/2 lengths behind the runner-up. Captain Scotty and Horse Greedy completed the order of finish.

McKinzie and Bolt d'Oro delivered on the hype on Mar. 10 at Santa Anita, where they produced one of the most thrilling Derby preps of 2018.

Who won the Grade 2 San Felipe Stakes? That depends on whom you ask. McKinzie finished a head in front of Bolt d'Oro, but after an 11-minute inquiry, stewards disqualified McKinzie for interference in deep stretch and awarded Bolt d'Oro the victory.

McKinzie was placed second, a decision that did not sit well with trainer Bob Baffert. "I am shocked," Baffert said. "After the way [Bolt d'Oro] hit us at the top of the stretch. I don't know what they were looking at."

Baffert was referring to contact between the two colts at the top of the lane, an incident for which stewards could not assign blame.

Steward Scott Chaney explained, "We ultimately felt the video was inconclusive regarding the incident at the quarter pole," Chaney said. "There wasn't any difficulty determining who was at fault for the second incident."

McKinzie, the even-money favorite, and Bolt d'Oro, second choice, hooked up at the top of the stretch, and raced head and head to the wire. In deep stretch, McKinzie drifted out under left-handed whipping by jockey Mike Smith and made contact with Bolt d'Oro.

Whether one agrees with the stewards' unanimous decision or not, this much is certain – McKinzie and Bolt d'Oro have provided stability to the 3-year-old division.

McKinzie was making his second start of the year; Bolt d'Oro had not raced since a wide-trip third in the Breeders' Cup Juvenile four months ago. He was giving up a current-condition edge, and perhaps a tactical edge rallying from off the pace.

CONTINUED

McKinzie broke running and pressed the pace set by Lombo. Bolt d'Oro broke well and found a comfortable position fourth on the rail.

Near the quarter pole, jockey Javier Castellano angled Bolt d'Oro outside. For a brief instant, it looked like Bolt d'Oro might roll right past McKinzie.

But jockey Mike Smith had saved something with McKinzie, who fought back when challenged. After brief contact at the head of the lane, the two raced head and head to the wire, with McKinzie hitting the wire in 1:42.71 for 1 1/16 miles.

Bolt d'Oro finished 6 1/2 lengths clear of Kanthaka in third. The order was completed by Peace, Ayacara, Aquila, and Lombo.

Baffert and Bolt d'Oro's owner-trainer Mick Ruis agreed on one thing. McKinzie and Bolt d'Oro are at the head of the local class.

"I knew they were going to separate themselves," Baffert said. "I had respect for [Bolt d'Oro] going in. [McKinzie] was ready for it. He was not going to let that horse get by. He did that at Los Alamitos."

McKinzie crossed the wire second in the Grade 1 Los Alamitos Futurity in December but was placed first after Solomini was disqualified.

The effort by Bolt d'Oro was particularly impressive considering his four-month layoff and a mid-winter setback that precluded him from running in his scheduled comeback in February.

"What he did, from where he was nine weeks ago, was phenomenal," Ruis said. "He was 80 percent ready for this race; we wanted a good race. I think we got it. I don't think the fans and everybody else could have had a better finish from the two horses they thought were going to run like they expected."

Bolt d'Oro was visibly weary after the winner's circle ceremony. Ruis, asked if the comeback was perhaps overly taxing, said he is not concerned.

"I don't think we're going to regress, because I did not have him all the way cranked up," Ruis said. "I think he's going to come really good out of this race."

Bolt d'Oro will run next in the Santa Anita Derby on April 7; McKinzie also is expected for that race.

Bolt d'Oro, second choice in the betting, returned \$4.40 to win.

An outsider named Quip ran himself right into the Kentucky Derby picture on Mar. 10 when getting a perfect trip under Florent Geroux in a 19-1 upset of the Grade 2, \$355,000 Tampa Bay Derby, the annual signature event at Tampa Bay Downs.

Quip earned 50 qualifying points toward the Kentucky Derby to give WinStar Farm and its partners yet another hopeful for the May 5 classic.

"I needed this," trainer Rodolphe Brisset told WinStar president Elliott Walden in the joyful aftermath of the Tampa Bay Derby. "This is big."

Quip was away alertly from post 8 in the field of nine 3-year-olds to assume a prime stalking spot just outside of World of Trouble, the 8-5 favorite in the 1 1/16-mile race. Nearing the quarter-pole, the top two had a few lengths on Flameaway as the rest of the field dropped out of contention.

Approaching the sixteenth pole, with Geroux giving Quip a couple of left-handed smacks, they made the lead, finishing a length ahead of late-running Flameaway as World of Trouble faded to third, another neck back. It was 4 3/4 more lengths back to Vino Rosso, the 2-1 second choice, followed by Tiz Mischief, Untamed Domain, Caloric, Arazi Like Move, and Grandpa Knows Best.

Quip returned \$40.20 to win after finishing in 1:44.72 over a fast track, well off the stakes mark of 1:42.36 set last year by Tapwrit.

"We always felt he was a nice horse," Walden said. "He's on the Derby trail now, yes sir. We'll enjoy this one and think about what's right for his next start."

WinStar and partners already have Audible, Justify, Noble Indy, National Flag, and New York Central as possible contenders for the Kentucky Derby. Quip's ownership group consists of WinStar, China Horse Club, and SF Racing.

Quip, a WinStar homebred by Distorted Humor, began his career with two wins, and had not raced since finishing seventh in the Nov. 25 Kentucky Jockey Club at Churchill Downs in his third start. Brisset had the colt at his winter base, Fair Grounds in New Orleans, prior to sending him to Tampa Bay.

The victory was easily the biggest in the nascent training career of Brisset, a former Bill Mott assistant who went out on his own last spring and exercises many of his own trainees, most notably Quip. Brisset, 34, is close friends with Geroux, with both hailing from France.

"I'm not sure if we had him 100 percent, but he was fit enough to win today and

CONTINUED

that's the main thing," Brisset said.

For Geroux, the victory continues the start to another great year, as he was the winning rider on the now-retired Gun Runner in the \$16 million Pegasus World Cup on Jan. 27.

"I've always known [Quip] had talent," Geroux said. "Rodolphe rides him in the morning, and he said he was doing fantastic. It seemed like he handled the track very well."

Run as darkness beckoned late on a cool and cloudy afternoon, World of Trouble and jockey Irad Ortiz Jr. went in fractions of 24.54, 49.48, and 1:13.78 when making his first start around two turns. The Florida-bred Kantharos colt clung grimly to the lead until just inside the furlong grounds, where Quip got the best of him and Flameaway nudged past him in the last few strides.

Flameaway, a four-time stakes winner, earned 20 more Kentucky Derby qualifying points after getting 10 for winning the Feb. 10 Sam F. Davis at Tampa and would seem safely above the cutline to make the 20-horse Derby cutoff.

Vino Rosso, who was the favorite until the last cycle or two of wagering, had no mishap, saving ground while in a good spot under John Velazquez before failing to keep up with the top three as they raced through the final turn. He is trained by Todd Pletcher, who had won four of the last five runnings of the Tampa Bay Derby, including the last three.

Only one Tampa Bay Derby winner, Street Sense (2007), has gone on to win the Kentucky Derby, although Super Saver an a close third in this race prior to capturing the roses for WinStar.

Three Grade 1 winners and a pair of Grade 2 winners were among the 10-horse field that went postward on Mar. 10 in the Grade 2, \$200,000 Hillsborough at Tampa Bay Downs, making it perhaps the deepest renewal in the 20-year history of the 1 1/8-mile turf race.

In the final jumps, however, it was Fourstar Crook — a mere Grade 3 winner coming in — who emerged best. Ridden by Irad Ortiz Jr., Fourstar Crook launched a torrid bid on the outer part of the turf course to be along just in time to give trainer Chad Brown his third Hillsborough winner.

Proctor's Ledge, who had surged to command with a big stretch rally under Jose Ortiz, had to settle for second, with La Coronel third and Daddys Lil Darling fourth.

Fourstar Crook, owned by the partnership of Michael Dubb, Gary Aisquith, and Bethlehem Stables, returned \$9.80 to win after finishing in 1:48.43 over a firm course. The 6-year-old New York-bred mare by Freud now has won 10 of 15 career starts after having competed mostly in stabled events.

"She ran terrific," Brown said. "She's a very consistent mare, always gives her best. We're proud of her."

Brown's previous Hillsborough wins came with Zagora (2012), an eventual Eclipse winner, and Stephanie's Kitten (2015), a two-time Breeders' Cup winner.

An inquiry and objection into whether Proctor's Ledge impeded Daddys Lil Darling in deep stretch was disallowed by the Tampa stewards.

Another Brown trainee, Off Limits, was defeated less than 1 1/2 lengths when finishing fifth as the 2-1 favorite and having a four-race win streak snapped.

Enticed erased the memories of a disappointing 3-year-old debut and likely earned his way back to Churchill Downs for the Kentucky Derby with a solid 2 3/4-length victory over longshot Old Time Revival in the Grade 3, \$300,000 Gotham Stakes at Aqueduct on Mar. 10.

Old Time Revival, the pace-setting longest shot on the board at 35-1, held second by four lengths over Free Drop Billy, the 8-5 favorite. It was another 2 1/2 lengths back to Firenze Fire, the multiple graded stakes winner.

The win earned Enticed 50 qualifying points to the Kentucky Derby, giving him 63, virtually guaranteeing he will have a spot in the starting gate on the first Saturday in May at Churchill. Last fall, Enticed won the Grade 2 Kentucky Jockey Club at Churchill Downs.

Last month, Enticed finished fourth as the 9-5 favorite in the Grade 2 Holy Bull at Gulfstream Park, owing in part to a difficult trip. Trainer Kiaran McLaughlin felt the best way to get Enticed back on track was to send him to New York for the Gotham, a one-turn mile race in which he was more likely to get a clean trip.

"Kiaran liked the idea of the one-turn mile and give ourselves a real chance to let him write his own ticket, if you will, and felt like the Gotham was the best place for that to happen," said Jimmy Bell, the president of the U.S. operation of Sheikh Mohammed's Godolphin Racing, the owner/breeder of Enticed.

Enticed had the outside post in the nine-horse field. When Free Drop Billy took a right-hand turn out of the gate, it caused a chain reaction of bumping that included Enticed, who needed a stride or two to get straightened out.

Enticed, reunited with Junior Alvarado, was five wide while racing in fourth, about two lengths off the pace after a half-mile run in 46.43 seconds by Old Time Revival under Jeremy Rose.

Enticed moved into second approaching the five-sixteenths pole, but still had work to do in order to catch Old Time Revival, who ran six furlongs in 1:11.77.

Alvarado, who used a methodic left-handed whip on Enticed, got Enticed to switch leads and the gangly colt reeled in Old Time Revival inside the eighth pole and edged clear.

Enticed, a son of Grade 1 winners Medaglia d'Oro and It's Tricky, covered the mile in 1:38.24 — the third-fastest of six one-turn mile races run on the card — and returned

\$8.80 to win as the third choice.

Bell said Enticed needed to step up Saturday and "he did with flying colors. Very professional, very pleased. Still learning, he's a big boy. This is the time of year when you start graduating. He probably made it to the next level."

Bell wouldn't confirm where Enticed would make his final start before the Kentucky Derby, but the Grade 2 Wood Memorial on April 7 has got to be high on the list.

"He certainly enjoys New York," Bell said.

Old Time Revival acquitted himself well for the first time in graded stakes company. He followed up his neck loss at 34-1 in the Miracle Wood with a solid second-place finish against the best field he's faced to date.

Free Drop Billy and Firenze Fire, the two Grade 1 stakes winners in this field, were disappointing. Dale Romans, the trainer of Free Drop Billy, decided to accentuate the positive of his colt's third-place finish.

"There were some good things to see about it, like running away from the horse he was head-and-head with for fourth," Romans said. "That was good that he kept on going, and I thought he galloped out strong. Two turns would probably be better."

Romans said Free Drop Billy would most likely make his next start in the Grade 2 Blue Grass at Keeneland on April 7. Free Drop Billy won the Grade 1 Breeders' Futurity at Keeneland last fall.

Trainer Jason Servis said jockey Manny Franco told him he had to use Firenze Fire earlier than desired to make sure he didn't get shuffled back. Servis said Franco told him he "could never really let him settle."

Firenze Fire, who has 29 Derby points, will make his next start in the Wood Memorial. If he does, the purse of the race will go from \$750,000 to \$1 million as the New York Racing Association previously announced the increase provided a Grade 1 winner participates in the race.

Now that his mentality is catching up to his physicality, Skyler's Scramjet is starting to assert himself in the sprint division.

Skyler's Scramjet made a successful graded stakes debut, recording a 1 1/2-length victory over the late-running Do Share in the Grade 3, \$200,000 Tom Fool Handicap at Aqueduct on Mar. 10.

It was third consecutive victory and fourth from his last five starts for Skyler's Scramjet dating back to last September.

"He's a big strapping fella, but he was a little timid," said Michelle Nevin, who trains Skyler's Scramjet for SJB Stable and Marcello Micozzi. "I think he just now has gotten his confidence with the riders. He's not the kind of horse you can be real rough with, he gets timid."

Under Trevor McCarthy, Skyler's Scramjet duelled outside of Green Gratto - last year's Grade 1 Carter winner - through a quarter-mile in 22.47 seconds and a half-mile in 46.55 seconds. He assumed command approaching the quarter pole, opened up a 4 1/2-length lead by midstretch and won handily despite the late-running efforts of Do Share.

Skyler's Scramjet, a 4-year-old gelding by Creative Cause, covered the six furlongs in 1:11.38 and returned \$7.10 to win as the 5-2 favorite.

"I knew what Green Gratto wanted to do, I wasn't going to go out of my way to chase him or do anything like that," McCarthy said. "I got him to relax. When he made that move and opened up a couple turning for home I was like 'Man, they're really going to have to catch him.'"

Do Share rallied from last to get second by three lengths over Great Stuff.

Cosmic Burst picked up 50 qualifying points for the Kentucky Oaks on Mar. 10 when she ran down Amy's Challenge for a 1 3/4-length victory in the Grade 3, \$200,000 Honeybee at Oaklawn.

Cosmic Burst (\$10.80 to win) stalked the pace along the rail in the Honeybee, as Amy's Challenge was up by three lengths through an opening quarter in 23.27 seconds, and stretched her advantage to eight lengths through a half-mile in 46.02 and six furlongs in 1:10.27. The leader continued on in the stretch, as Cosmic Burst worked to find racing room, angled out and got past Amy's Challenge nearing the wire.

The winner covered the 1 1/16 miles on a fast track in 1:44.19.

It was the first career defeat in four starts for Amy's Challenge.

"You don't know if you're going to get by her or not," said Donnie Von Hemel, who trains Cosmic Burst. "You could see we were closing, but are we going to get there in time? In the end, she was a clear winner."

Amy's Challenge was making her two-turn debut after winning her debut and a stakes over males last year at Canterbury, then the Dixie Belle in January at Oaklawn.

Cosmic Burst won the second stakes race of her career, having taken the \$100,000 Trapeze in December at Remington Park. She came into the Honeybee off a third-place finish in last month's Martha Washington at Oaklawn, a race in which she had a less-than-ideal trip. Cosmic Burst hopped out of the gate, raced over a wet track for the first time, and had trouble in the first turn.

Cosmic Burst is a daughter of Violence who races for Norma Lee Stockseth and Todd Dunn. Von Hemel said she could run back in the Grade 3, \$400,000 Fantasy on April 13 at Oaklawn.

Cosmic Burst has a total of 52 eligibility points for the Kentucky Oaks to rank fourth on the leaderboard administered by Churchill Downs. Amy's Challenge picked up 20 points, while Sassy Sienna, who was third in the Honeybee, earned

10. Red Ruby, the favorite in the Honeybee, finished fourth and earned five points to go with the 10 she picked up last month for her victory in the Martha Washington.

Cosmic Burst earned \$120,000 for her win in the Honeybee to push her career bankroll to \$267,080.

Andina Del Sur made the lead precisely when it counted, edging past Goodthingstaketime in the shadow of the wire before a late burst by Altea could overtake them both in a thrilling 35th running of the Grade 3, \$150,000 Florida Oaks on Mar. 10 at Tampa Bay Downs.

Ridden by Julien Leparoux, Andina Del Sur returned \$28.20 to win with her first stakes victory from four career starts. The daughter of Giant's Causeway is trained by Tom Albertrani for the Don Alberto Corp.

A fast pace unfolded in the Florida Oaks, a 1 1/16-mile turf race, with none of the early leaders around at the finish. Goodthingstaketime, ridden by Joel Rosario, was first to pounce, looping the field leaving the quarter-pole to strike the front. But Andina Del Sur, among the early trailers, was following right behind her, and she finally poked her nose in front just as the outside rally by Altea came a stride or two too late.

Among those caught up on swift fractions was Salsa Bella, who faded to fifth as the 2-1 favorite.

The winning time was 1:42.37 on firm turf.
