Going into the Grade 1 Woodward Stakes on Sept. 1 at Saratoga, trainer Bill Mott didn't have a firm opinion either way whether Yoshida would handle dirt as well as he had turf, a surface over which he was a Grade 1 winner. Mott just wanted to find out if he could.

"Well, we got our answer," Mott said.

And it was an emphatic yes.

Yoshida, despite having to go from the rail to the nine path under Joel Rosa-

rio, outfinished favored Gunnevera and 12 others to win the \$750,000 Woodward Stakes by two lengths. Gunnevera, who was 10 wide under Edgard Zayas, finished second by a nose over Leofric.

Officially, Yoshida had to withstand an objection from Antonio Sano, Gunnevera's trainer, who felt his horse was bumped by Yoshida turning for home. But the stewards quickly dismissed the claim, opting to not even talk to Rosario.

"I went to the phone, but I guess they didn't allow it," Rosario said. "I didn't talk to them."

The victory was the third straight graded stakes victory on the card for Rosario, who won the Grade 3 Saranac on Raging Bull and the Grade 1 Spinaway on Sippican Harbor.

The victory could put Yoshida in the mix for the \$6 million Breeders' Cup Classic at Churchill Downs on Nov. 3.

"After seeing this, you'd have to say so,"

CONTINUED

Mott said. “He ran well enough to keep him on the dirt.”

Mott trains Yoshida for the partnership of WinStar Farm, China Horse Club International, Head of Plains Partners, and SF Racing. Last year, these same connections won the Grade 2 Jim Dandy with Good Samaritan, a horse who prior to that start had never raced on dirt.

Breaking from the rail in the 14-horse field, Yoshida was able to save all the ground early in the Woodward while Leofric and Rally Cry, breaking from posts 11 and 14, respectively, went at each other through fractions of 24.00 seconds for the quarter, 47.69 for the half, and 1:11.56.

Around the far turn, Rosario began to move Yoshida off the rail and, by the time he hit the head of the lane, he was in the nine path, with Gunnevera to his outside.

Straightening away down the lane, Yoshida still had run and drew away from the field late. Gunnevera persevered to get second by a nose over Leofric.

It was a length back to Rally Cry in fourth. He was followed by Patch, Term of Art, Hence, Tapwrit, Sunny Ridge, Zanotti, Kurilov, Discreet Lover, Seeking the Soul, and Imperative.

Yoshida, a Japanese-bred son of Sunday Silence out of the Grade 1-winning dirt mare Hilda’s Passion, covered the 1 1/8 miles in 1:48.94 and returned \$14.40 to win.

“This was a pretty impressive run actually,” Mott said as he watched the replay. “He was cruising. There was nobody getting to him. He looked like he was finishing stronger than anybody.”

Zayas said he didn’t like his position from the start on Gunnevera. Breaking from post 9, he had to check off heels entering the first turn and was about five wide around the opening bend.

From there he remained rather wide down the backstretch and was so when he launched his bid. Still, he did keep coming and was game to get second.

“I was carried super wide, probably cost

him, but at the end of the day [Yoshida] beat him clearly,” Zayas said. “He opened up at the end. [Gunnevera] ran his race, but he can run better than that.”

Sano said Gunnevera would be trained toward a start in the Breeders’ Cup Classic.

The New Jersey shipper Mind Control took early pressure from Nitrous for the first half-mile and then had the odds-on favorite, Mucho, ready to pounce, in Monday's Grade 1 Hopeful Stakes at Saratoga on Sept. 3.

But Mind Control, a 10-1 longshot, never relented, putting away Nitrous, then holding off Mucho to win the \$350,000 Hopeful Stakes for 2-year-olds by three-quarters of a length on closing day at Saratoga.

Mucho, the even-money favorite off his big maiden win here early in the meet, finished second, 2 1/4 lengths ahead of Nitrous. It was a half-length back to Sombeyay, who was followed by Dream Maker, Thatwouldbegrand, Backtohisroots, and Derby Date.

The win was the first Grade 1 victory for trainer Greg Sacco, who has been training for 30 years, taking over the stable from his father William who began training in 1946.

"It's my first Grade 1, it's real special," said Sacco, who also won his first race at Saratoga after 25 previous starters here over 20 years.

"Son of a trainer; my dad never had the opportunity to train these type of horses. I've been blessed and fortunate [to train] for the Brunettis. This is really meaningful."

Mind Control, a son of Stay Thirsty, is owned and bred by the Brunetti family. John Brunetti Sr., former owner of Hialeah Park, died in March. His son Steven heads the stable, which operates as Red Oak Stable.

Mind Control finished second in his debut at Delaware Park to Call Paul, who came to Saratoga to win the Grade 2 Saratoga Special on Aug. 12. That same day, Mind Control won a maiden race at Monmouth Park.

Sol Kumin's Madaket Stable purchased a third interest in Mind Control following his maiden victory.

The victory by Call Paul in the Saratoga Special gave Sacco the confidence to try Mind Control in the Hopeful.

Breaking from post 2 under John Velazquez, Mind Control found himself dueling with Nitrous through a quarter mile in 22.96 seconds and a half-mile in 45.68. Meanwhile, Mucho was sitting in a perfect stalking position under Jose Ortiz, just waiting to pounce.

Turning for home, Velazquez went right-handed to keep Mind Control going and Nitrous was trying to keep up. Mind Control edged away from Nitrous inside the sixteenth pole and Mucho couldn't run him down.

Mind Control covered the seven furlongs in 1:22.99 and returned \$22.20 to win as the fifth betting choice in the eight-horse field.

Sacco said Mind Control would ship to Monmouth Park and then he would discuss plans with the owners that will likely include a path to the Breeders' Cup Juvenile at Churchill Downs on Nov. 2.

After Sippican Harbor finished fifth launching her career around two turns on the turf here earlier this summer, about the last place where trainer Gary Contessa probably thought he'd be standing six weeks later was in the winner's circle following the running of the Grade 1 Spinaway. But sure enough, there he was, alongside owner Lee Pokoik, after Sippican Harbor rallied from last on the turn to a two-length victory over Restless Rider in the Saratoga season's premier race for 2-year-old fillies.

Sippican Harbor's path to the \$350,000 Spinaway began Aug. 12, when several days of rain forced the final race on the card originally scheduled for the turf to be moved to the main track. Sippican Harbor was one of only five horses left in the field following scratches and she made short work of the mediocre opposition, punching her ticket into the Spinaway with an eye-catching 17-length maiden win.

Sippican Harbor led at every call on graduation day, but after getting knocked around between horses leaving the gate in the Spinaway, she found herself at the rear of the pack as the field left the backstretch. Sippican Harbor commenced her bid midway on the turn, swung widest of all into the stretch, then finished full of run down the center of the course to overtake the tiring leaders nearing the sixteenth pole and win going away.

Restless Rider, idle since winning the Debutante at Churchill Downs two months earlier, raced within striking distance of the early leaders while kept wide after breaking from post 10 in the 11-horse field. She continued willingly inside the winner

through the final furlong, proving no match for that rival while outlasting the late-running Cassies Dreamer by a neck to finish second.

Chasing Yesterday, American Pharoah's baby sister, never seemed to get untracked after being involved in some crowding after the start. She ultimately finished a struggling seventh as the 8-5 favorite.

Sippican Harbor, a daughter of Orb, returned \$34 after completing the distance in 1:23.72 over the fast track.

The win in the Spinaway gives Sippican Harbor a fees-paid berth in the Breeders' Cup Juvenile Fillies race at Churchill Downs in November.

Contessa said one of the things he really liked about Sippican Harbor's performance in the Spinaway was the versatility she showed by rallying from so far back to win. "Today's effort was unbelievable,"

Contessa said. "She ate a lot of dirt, I mean she was covered in dirt when she came back, but she was able to make that wide move and then she exploded. That's the kind of 2-year-old you want, one you can send on the lead like in her first start, or take back and come from last like she did today. She proved here she's as good as we always thought she was, and hopefully we can make it to the Breeders' Cup."

Jockey Mike Smith said Chasing Yesterday just never ran her race after having trouble getting her best footing after the break.

"We took a whole lot of dirt and she just wasn't used to it," said Smith, who was caked in dirt himself after the race. "She just jumped and jumped and jumped until she wore herself out. You hate to come all the way down here to school one, but it certainly was a really good schooling race for her. It will do her a lot of good and we'll see the real her come up next time."

Bellafina will leave Del Mar for Santa Anita in a few days as the leader of California's 2-year-old filly division.

On Sept. 1, Bellafina won her second stakes in as many starts at this popular summer meeting, pulling clear in the final furlong of the Grade 1 Del Mar Debutante for a convincing 4 1/4-length victory.

Bellafina (\$6.60 to win) gave trainer Simon Callaghan a second consecutive win in the \$300,000 Del Mar Debutante. He won last year with Moonshine Memories.

Ridden by Flavien Prat, Bellafina

disputed the pace with the highly regarded maiden Mother Mother before taking the lead on the turn.

"We knew there would be some speed," Prat said. "She was a bit aggressive."

Mother Mother, who was ridden by Joe Talamo, led through an opening quarter-mile in 21.93 seconds, in front by a head. Bellafina, racing outside of Mother Mother, led by a head after a half-mile in 44.68.

"She's fast," Callaghan said. "She placed Flavien instead of Flavien placing her. We thought she'd be farther back."

Bellafina finished seven furlongs in 1:25.51 on a day when Callaghan thought the track was slow.

"We worked a few horses this morning and I thought the track was incredibly deep," he said. "After that, I'm not too worried about the time."

Boujie Girl, a 16-1 outsider, finished third, followed by 7-10 favorite Brill and Watch Me Burn in the five-horse race. Brill was a never a factor. She was last of five on the backstretch and was third on the turn before fading from contention.

Mother Mother had her stakes debut and second start in the Debutante. Trained by Bob Baffert, Mother Mother won a maiden special weight race by 6 1/2 lengths on July 22.

"She certainly ran good," Talamo said. "She was taking heat from the winner through the race. She still stayed on. We went pretty quick early on. I think she's going to improve off this."

Bellafina, by Quality Road, is owned by Kaleem Shah. She was purchased for \$800,000 at the Fasig-Tipton Florida sale of juvenile at Gulfstream in March.

Bellafina has won 2 of 3 starts and earned \$308,000. Bellafina was second in a maiden special weight race at Los Alamitos on July 4 and rebounded to win the Grade 2 Sorrento Stakes at six furlongs here on Aug. 5.

Callaghan said Bellafina will be considered for the Grade 1 Chandelier at 1 1/16 miles for 2-year-old fillies at Santa Anita on Sept. 29, a prep for the Breeders' Cup Juvenile Fillies at Churchill Downs on Nov. 2.

No one had more success with his 2-year-olds this summer than trainer Bob Baffert, who truly had strength in numbers. That was never more in evidence than on Sept. 3, when he won the closing-day Del Mar Futurity with Game Winner, who was the second choice to his other runner, odds-on

favorite Roadster.

Roadster and Game Winner were among the 11 2-year-olds who won maiden races for Baffert at Del Mar this summer, and they were the top two choices among six entrants in the Grade 1, \$300,345 Futurity. Roadster was favored at 7-10 off his runaway victory on July 29, but it was Game Winner – coming back just 16 days after his impressive debut Aug. 18 – who proved best, as he ran down pacesetter Rowayton to prevail by 1 1/2 lengths and give Baffert his record 14th win in the Futurity in the last 23 runnings.

Rowayton held second, a half-length in front of third-place Roadster, then came Sigalert, Spin Lightning, and Sparky Ville.

Game Winner (\$5.20 to win) completed seven furlongs on the fast main track in 1:23.18.

Both of Baffert's colts were doing well, and he thought it best to run both. It's a problem he often has – a nice one to be sure – and any owner who signs up knows they may have to run against another horse from the barn.

"If they're doing well, I throw them in," Baffert said. It's an equal-opportunity barn."

Baffert's concern with Game Winner was the quick turnaround.

"I hated to run him back quickly. I told Gary," he said, referring to Gary West, who owns Game Winner with his wife, Mary, "that he had to work well and draw well."

Both boxes got filled in. Game Winner on Aug. 29 worked five furlongs in 59.60 seconds, the best of 33 at the distance, and then he drew the outside post for the seven-furlong race, an ideal spot in such a small field.

It was Rowayton who sped off to the lead, with Roadster and Game Winner in closest attendance. Rowayton opened a four-length lead through the opening quarter in 22.53 seconds, and was still up by 4 1/2 lengths after a half in 45.35 seconds.

Game Winner and Roadster slowly began to close on Rowayton, who began to tire nearing the furlong pole while still holding the lead. Game Winner, under Mario Gutierrez, reeled him in, but Roadster could not finish off the race as well as Baffert hoped.

"He flattened out. Disappointing," Baffert said.

Game Winner, by contrast, was perfectly fine coming back a little more than two weeks following his first race.

"He's a big, strong, heavy horse," Baffert said. "I'd rather run him another time sprinting than just work him up to a two-

turn race.”

Two turns will be next for Game Winner, most likely the Grade 1 American Pharoah – formerly the FrontRunner, before that the Norfolk – going 1 1/16 miles at Santa Anita on Sept. 29.

“You have to carry on, go to the next level,” Baffert said.

Game Winner is a colt by Candy Ride. The Wests purchased him as a yearling for \$110,000. They’re already out. He earned \$180,000 in the Futurity and now has career earnings of \$216,000.

Ride a Comet, third in the Grade 2 Hall of Fame Stakes at Saratoga in August, was the only out-of-town shipper in the Grade 2 Del Mar Derby on turf on Sept. 2. The visiting colt had one local angle in his favor – leading jockey Drayden Van Dyke, who rode him to the win.

Riding Ride a Comet for the first time, Van Dyke led the colt to a clear running path in the final quarter-mile before running down even-money favorite River Boyne to take the lead in the final sixteenth.

“I was loaded from the word go,” Van Dyke said. “As soon as I tipped him out, he took off. I thought I had the race in the bag.”

Kazan, a 50-1 outsider in his graded stakes debut, closed from 11th to finish second, a half-length in front of River Boyne.

There were 12 horses in the starting gate, but only 11 were listed as official starters.

The filly Animosity was declared a non-starter after she was held up in the gate when the stall doors opened. The stewards

conducted a lengthy inquiry before ordering refunds on bets involving Animosity. Jockey Tyler Conner said Animosity was held “for a long time” by the assistant starter when the gate opened.

“I don’t blame him,” Conner said. “She was kind of jumpy. I thought he had her (ready), but it was bad timing, I guess.”

Animosity was 45-1 on the toteboard after the race and before being declared a non-starter.

Ride a Comet (\$13.60 to win) was the second choice. Van Dyke had Ride a Comet in ninth and then eighth for the first six furlongs. He moved the colt into a four-wide position to win by 1 1/2 lengths, finishing 1 1/8 miles in 1:48.11.

Take the One O One set a moderate pace of 23.97 seconds for the opening quarter-mile, and 48.26 for a half-mile.

River Boyne was beaten in California for the first time in his fifth start of the year. River Boyne has won three stakes this year, including the Grade 3 La Jolla Handicap. Trainer Jeff Mullins said River Boyne would have been better racing farther off the pace.

“He was too close and too strong,” Mullins said.

River Boyne was followed in the order of finish by Majestic Eagle, Restrained-vengeance, Desert Stone, Arawak, Epical, Pubilius Syrus, Andesh, and Take the One O One.

Ride a Comet, by Candy Ride, races for John Oxley and My Meadowview Farm and is trained by Mark Casse. Ride a Comet won the Charlie Barley Stakes at a mile on turf at Woodbine on June 30 in his turf stakes debut.

Ride a Comet has won 5 of 10 starts and earned \$305,856.

After several futile attempts to get Qurbaan into an allowance race during the Saratoga meet, trainer Kiaran McLaughlin was left with only one option: Bring Qurbaan back off an 11-month layoff in the Grade 2 Bernard Baruch on Sept. 3. It was an ironic turn of events that led to the 13-1 chance winning a three-horse photo over Forge and Projected to upset the co-feature on closing day of the 2018 meeting.

The well-travelled Qurbaan was making his U.S. debut in the 1 1/6-mile Bernard Baruch, having been idle since finishing fifth last October against Group 3 opposition in France. He joined McLaughlin's barn two months ago and was racing on Lasix for the first time in the \$250,500 Bernard Baruch.

With Irad Ortiz Jr. aboard, Qurbaan settled off the pace of the odds-on Voodoo Song, who set modest splits of 24.13 and 47.89 for the opening half-mile. Qurbaan advanced outside horses on the final turn, continued willingly down the center of the course and stuck his nose in front at the wire.

Forged split rivals with his final bid and just missed, finishing another nose in front of Projected, who held the lead through much of the stretch after overtaking Voodoo Song leaving the turn.

Voodoo Song, who entered the Bernard Baruch perfect in five starts at Saratoga and exiting a victory in the Grade 1 Fours-tardave earlier in the meet, was not at his best, relinquishing the lead readily at the head of the lane before gradually weakening to finish last in a field of just five older turf specialists.

Qurbaan is a 5-year-old son of **Speights-town** owned by Shadwell Stable. He covered the distance over a firm course in 1:40 and paid \$28 to win.

"We were trying to run him in allowance races that didn't go for a while, so we didn't have many other options but to go in the stakes," McLaughlin said. "He's a stakes horse, obviously; he's won five races around the world. We're happy to have him in the barn, he ran a great race, and Irad rode him well."

As for what might be next for Qurbaan, the answer came as no surprise.

"Obviously, being that Shadwell sponsors the Shadwell Mile (at Keeneland) we might have to try that," McLaughlin said with a smile. "And I'm happy we have something to go there."

Lady Montdore has come a long way in a short time. Four weeks after winning her U.S. debut in an entry-level allowance race earlier in the meet, the Godolphin homebred became a Grade 2 winner when leading throughout to register a 2 1/4-length victory over the 3-2 favorite Santa Monica in the \$250,000 Glens Falls on Sept. 1 at Saratoga.

Lady Montdore rallied from just off the pace to win her local bow, which came in her first start in 11 months and first since joining trainer Tom Albertrani's barn in May. Her victory here on Aug. 8 did not come without incident after Lady Montdore experienced heat distress in the winner's circle immediately after the race.

But the cooler weather along with the lack of any real pace in the 1 3/8-mile Glens Falls were just what the doctor ordered for Lady Montdore, a 4-year-old daughter of **Medaglia d'Oro**, who was Group 3-placed in France as a 3-year-old last summer. With jockey Manny Franco aboard, Lady Montdore went right to the front, set a pedestrian pace over a turf course officially labeled good, settled into the stretch with a clear lead before gradually increasing her advantage to the wire.

Santa Monica stalked the pace from the outset but could not muster the necessary response down the lane. She finished second, one length in front of Danceland. They in turn were followed by Onthemoonagain, Savannah Belle, Summersault, La Manta Gris, and Homeland Security.

Lady Montdore completed the distance in 2:20.78 and paid \$10.40 to win. The win also afforded Albertrani and Godolphin some measure of satisfaction after having an apparent allowance victory by Final Frontier taken away by a steward's disqualification earlier on the card.

"She didn't look like much, she was very

skinny and light-framed when she first came in, and then she got my attention as she trained," said Albertrani, referring to Lady Montdore. "I was confident she'd run well in her first start, and I was thinking big, the Breeders' Cup maybe, after she won. I thought this was the perfect opportunity to bring her back, Manny did a great job putting her on the lead, and she just went around there with her ears pricked today and made it look easy."

Albertrani said the Grade 1 Flower Bowl on Oct. 7 at Belmont Park was a possibility for Lady Montdore's next start.

It was like she never left.

Away from the races for nearly seven months, Dream Tree picked up where she left off, dominating a field of 3-year-old fillies at Saratoga on Sept. 2 in the Grade 2, \$250,000 Prioreess Stakes by 4 1/4 lengths.

Mia Mischief, with whom Dream Tree dueled for more than a half-mile, held second by a head over Moonshine Memories, who was sandwiched from both sides at the break.

Sower finished fourth and was followed by Cathedral Reader, Purrfect Miss, Classy Act, and Win the War.

The victory was her fifth in as many career starts for Dream Tree, a daughter of **Uncle Mo** owned by Phoenix Thoroughbred III and trained by Bob Baffert. Dream Tree hadn't run since winning the Grade 2 Las Virgenes at Santa Anita on Feb. 4.

Baffert wasn't happy with how the filly was training after that race, so he gave her some time off and freshened her up for a late summer-fall campaign.

Under Mike Smith, Dream Tree came in and bumped with Moonshine Memories to her inside and was turned sideways. She quickly recovered and dueled outside of Mia Mischief - who was favored by \$5,681 over Dream Tree - through a quarter in 22.30 seconds and a half-mile in 44.93.

"She was just there easy," Smith said.

Dream Tree continued to battle with Mia Mischief until inside the eighth pole, where

she began to pull away. Smith gave Dream Tree a few taps with his left-handed whip, owing to the fact she has a history of looking around. Dream Tree did in fact lunge at some footprints past the finish line.

"This long lane, you never know somebody comes flying on the outside - I've had it happen so many times around here - so I just stayed busy and she was looking at something, sure enough there was those tracks because you see her jump right after the wire," Smith said.

Dream Tree covered the six furlongs in 1:09.50 and returned \$5.80 to win.

It was the third graded stakes victory at Saratoga in eight days for the Baffert-Smith team, who on Aug. 25 won the Grade 1 Personal Ensign with Abel Tasman and the Grade 1 Ballerina with Marley's Freedom.

Like Marley's Freedom, Dream Tree will be pointed to the Breeders' Cup Filly and Mare Sprint at Churchill Downs on Nov. 3, Baffert said.

"We're excited we got her back," Baffert said by phone from California, adding that Aamer Abdulaziz, the head of Phoenix Thoroughbred III, "has been really patient letting us freshen her up. I wanted to get her ready for the Breeders' Cup."

For \$40,000 in February, Hall of Fame trainer Jerry Hollendorfer claimed the 4-year-old Vasilika on behalf of a partnership.

"We were just looking for a horse," Hollendorfer said.

Vasilika has developed into so much more. She is likely to be the claim of the year in California.

On Sept. 1 at Del Mar, Vasilika won her sixth consecutive race, and her graded stakes debut, in the Grade 2 John Mabee at 1 1/8 miles on turf. The win was worth \$120,000 for owners All Schlaich Stables, Gatto Racing, George Todaro, and Hollendorfer, who is part of the partnership.

Vasilika has earned \$291,528 since being

claimed.

In the \$202,070 Mabee Stakes, Vasilika rallied four wide under jockey Flavien Prat to reach the front in the final furlong. Clear in the final strides, Vasilika (\$10.40) won by 1 1/2 lengths over 4-5 favorite Cambodia, who raced in traffic on the backstretch and finished well.

Hollendorfer deferred credit for the win to Prat, who has ridden Vasilika through the streak, which began on April 1.

"He's been great on the grass course," Hollendorfer said. "We thought he'd be in a good spot. He kept her out of trouble."

Vasilika, the second choice in a field of 11, was timed in 1:47.25.

Prat said he paused briefly aboard Vasilika on the turn before finding sufficient running room entering the stretch.

"I was waiting for the opening," Prat said. "She gave me a great kick, like she always does."

Cambodia won the 2017 Mabee and the Grade 2 Yellow Ribbon Handicap on Aug. 4, for the second consecutive year. Jockey Drayden Van Dyke had Cambodia in ninth in the first half-mile, trailing Vasilika. Cambodia closed well, but not fast enough to catch the winner.

"The other filly fought gamely," Van Dyke said of Vasilika. "I would have liked to have been a little closer. That's turf racing."

Cambodia finished a neck in front of Fahan Mura, who set the pace before fading from contention in the final furlong. Meal Ticket finished fourth, followed by Sophie P, Achira, The Tulip, Madame Stripes, Midnight Crossing, Cheekaboo, and Vagabond Princess.

Vasilika, a 4-year-old filly by Skipshot, won a \$32,000 claimer at Aqueduct last November, the day she was claimed by trainer Robert Falcone. For the Santa Anita winter-spring meeting, Falcone brought a small stable to California. He lost Vasilika to Hollendorfer in the filly's first California start.

Jockey Diego Saenz was the star of the Sept. 2 card at Louisiana Downs, winning won four of the seven stakes on the program, including the Grade 3, \$300,000 Super Derby with 26-1 outsider Limation.

It was the first Super Derby win for Saenz, who ranks as one of the winningest riders in Louisiana, and the first for Limation's trainer, Hall of Fame horseman Steve Asmussen.

The Super Derby was the richest race of the meet. It returned to the main track

after a one-year experiment on turf. The card started out with a fast main track. The surface was later downgraded to sloppy after rain, then upgraded to good right before the running of the Super Derby.

The surface shuffle was a non-issue for Limation, who paid \$54.80 to win one start after finishing an uncharacteristic ninth in the \$75,000 Ellis Park Derby on Aug. 12. He was content to track Charlie's Schiller in the Super Derby, cruising along in second as that one set fractions of 24.29 seconds for the opening quarter and 48.13 for the half-mile.

Limation took over through six furlongs in 1:12.55, then increased his advantage through the stretch for a 5 3/4-length win over favorite Lone Sailor. It was another neck back to High North.

Limation covered the 1 1/16 miles in 1:43.91.

Limation was a maiden special weight winner in May at Churchill Downs, then won a conditioned allowance at Ellis one start before the Ellis Park Derby. He is a son of Alternation and races for Michael Langford.

He earned \$180,000 for the win, his third from eight starts. He has career earnings of \$272,950.

The remaining order of finish was Lionite, also trained by Asmussen, in fourth, followed by G's Turn, Bode's Maker, McFeely, Autumn Warrior, and Charlie's Schiller.

In six seasons of competition, Pure Sensation has been highly consistent. In turf sprints at Parx Racing, he has been consistently excellent.

On Sept. 3, 7-year-old Pure Sensation won

the Grade 3, \$300,000 Turf Monster for the third time. He also won the five-furlong race in 2017 and 2015.

In six grass starts at Parx, Purse Sensation has five wins and a third. His other two victories have come in the Grade 3 Parx Dash, which he won in 2017 and 2016.

Pure Sensation paid \$9 to win, partly because his lone Parx loss came in his most recent start in the Parx Dash on July 7, when he finished third, beaten 1 3/4 lengths.

A gray son of Zensational who was bred and is owned by Frank and Patricia Generazio, Pure Sensation has a 10-5-5 record from 29 career starts. He has earned more than \$1.5 million.

Pure Sensation has been trained throughout his career by Christophe Clement and was ridden in the Turf Monster by Kendrick Carmouche, who has been aboard for nine of Pure Sensation's last 12 races, including five wins.

Pure Sensation made the early lead in the Turf Monster from post 1 while being pressed by the filly Smiling Causeway and Vision Perfect, who won the Parx Dash by a nose.

Pool Winner, the Parx Dash runner-up, and 2-1 favorite Imprimis raced third and fourth, about three lengths behind the leading trio. On the far turn, Pure Sensation, Smiling Causeway, and Vision Perfect lined up inches apart, while Imprimis commenced a wide move after them.

Smiling Causeway dropped back entering the stretch leaving Pure Sensation and Vision Perfect to fight it out. The battle went down to the wire with Pure Sensation holding sway by a neck.

Pure Sensation was timed in 56.42 seconds following splits of 22.44 and 44.58.

Rainbow Heir, who was well back early, finished with a strong stretch charge to best Imprimis for third by a nose. Rainbow Heir, who was making his first start of the year after standing at stud in Florida last winter, and Imprimis were beaten three-quarters of a length.

Raging Bull avenged his only career defeat when he ran by Up the Ante in deep stretch and drew away to a 1 1/4-length victory in the Grade 3, \$300,000 Saranac Stakes at Saratoga on Sept. 1.

Up the Ante, who defeated Raging Bull in

the Manila Stakes at Belmont Park on July 4, had to settle for second, a neck in front of March to the Arch. Hot Springs finished fourth and was followed by Golden Brown, Sand Dancer, Therapist, Free Drop Billy, and Maraud.

The win was the third on the card for trainer Chad Brown, who with his first win of the day established a single-meet win record at Saratoga with 41. He now has 43.

Raging Bull provided two of those victories, having earlier in this meet won the Grade 2 National Museum of Racing and Hall of Fame Stakes with a furious late rally to beat Maraud by a nose over yielding ground.

Brown said he wasn't sure he was going to run Raging Bull in the Saranac until he saw the colt's energy level after two easy workouts.

Brown said he called owner Peter Brant and told him he wanted to run Raging Bull "if the forecast is clear. I want to see the horse run a mile and an eighth on firm ground."

In several of his previous races, Raging Bull was well off the pace. In the Saranac, he broke better and put Joel Rosario in a good spot, an up-close fifth while Up the Ante set fractions of 23.25 seconds for the quarter, 48.04, for the half-mile and 1:12.11 for six furlongs.

Turning for home, Rosario guided Raging Bull into the clear and he was able fly past Up the Ante inside the sixteenth pole for his fourth victory in five career starts.

Raging Bull, a French-bred son of Dark Angel, covered the 1 1/8 miles in 1:47.19 and returned \$6.50 as the favorite.

"The horse should really be undefeated, he got caught in a paceless race going a mile at Belmont and ran a big, big race to close and couldn't get there," Brown said. "This horse has a remarkable turn of foot. He knows where the wire is; he's an immense talent."

Brown said he would likely consider two more races this year for Raging Bull: the Grade 2, \$500,000 Hill Prince at Belmont on Oct. 6 and the Grade 1, \$300,000 Hollywood Derby at Del Mar on Dec. 1.

You're to Blame kept front-running favorite War Story in his sights early and then outfought him late to score a neck victory in the 1 1/2-mile Greenwood Cup at Parx Racing on Sept. 3.

When the gates opened, War Story shot to the front and opened a sizable lead in the Grade 3, \$200,000 marathon while being kept well out from the inner rail by jockey Kendrick Carmouche. You're to Blame moved closer to War Story while coming down the stretch the first time through fractions of 25.21 and 51.12.

Jockey Paco Lopez sent You're to Blame up inside War Story, who remained well out in the track, after a mile in 1:42.67. The two alternated on the lead from there, with You're to Blame proving the strongest along the rail in the final sixteenth of a mile.

Big Dollar Bill, who never got within earshot of the top two, finished third, 3 3/4 lengths behind War Story, the 3-5 favorite.

You're to Blame paid \$10.40 to win as the third choice in the field of seven. He was timed in 2:32.40.

The Greenwood Cup, named for the group that operates Parx, is the first stakes win for You're to Blame, a 4-year-old son of **Distorted Humor** who is trained by Todd Pletcher. You're to Blame came into the Greenwood Cup off a Saratoga victory in a high-level optional-claiming race at 1 1/8 miles.

You're to Blame is now 5 for 18 in his career.

When the gates opened and Opry walked out several lengths behind the field at the start of the Grade 3 With Anticipation Stakes on Aug. 29, trainer Todd Pletcher said he had only one thought:

“Not again!”

But Opry was able to overcome the potentially disastrous start to rally from last

CONTINUED

to an extremely impressive 1 1/2-length victory over even-money favorite Somelikeithotbrown in the \$150,000 With Anticipation for 2-year-olds on the turf.

"It's kind of been one of those meets when we haven't been getting off to too many good starts," Pletcher said.

Opry, a son of [Declaration of War](#), had made one previous start, on Aug. 11, a race originally scheduled for the turf that was ultimately switched to a main track rated good due to rain. Opry broke slow that day as well, then rallied belatedly to finish third, beaten just a length, going seven furlongs.

With Javier Castellano aboard in the With Anticipation, Opry was a bit reluctant to enter the starting gate then lunged and broke outward after the doors sprung open at the start. Opry was reserved at the rear of the field for the first seven furlongs, eased out to the middle of the strip while commencing his rally at the top of the stretch, then finished full of run to easily wear down Somelikeithotbrown and win going away.

Somelikeithotbrown was a runaway winner of his turf debut in a race at 1 1/8 miles here three weeks earlier. The favorite settled in easy striking distance off the early pace set by Joyful Heart, eventually wore down the tiring leader between calls near midstretch, but proved no match for the winner's devastating late surge. Joyful Heart finished a tiring third following by Swamp Rat, Seanow, and Gunslinger in a race which scratched down from an original field of 12 juveniles that included two main-track-only entrants.

Opry, owned by the partnership of Cheyenne Stables and Gaillardia Racing, completed the distance on a firm track in 1:42.00 and paid \$9.80 to win.

"It was interesting talking to Javier [after the race] because when I was watching the race I wasn't sure how much horse he had down the backstretch," Pletcher said. "But Javier said he had a lot of horse and he was traveling well. Once he got in the lane, I thought that was a super impressive run."

Pletcher said Opry had trained well enough on the dirt that he wasn't concerned about leaving him in to run when the race came off the turf prior to his first start.

"I thought he might win an off-the-turf type race, but I thought a couple of his turf breezes were pretty impressive and that he was a little better on the grass," said Pletcher. "And I decided that if this horse came back and worked okay, I'd bring him back and run him in the With Anticipation."

Jockey Joe Bravo completed a sweep of the two Grade 3 turf stakes at Monmouth Park on Sept. 1 by giving Synchrony a rail-hugging ride in the \$100,000 Red Bank over a mile of turf. The victory was strikingly similar to Synchrony's win in the Grade 3 Oceanport on July 29.

Two races earlier on the card, Bravo won the \$100,000 Violet aboard Elysea's World for trainer Chad Brown. Bravo would come back in the race following the Red Bank to win the \$75,000 Sapling on Unionizer for Bill Mott.

Trainer Mike Stidham made a decision to shorten up Synchrony in distance after he finished third in the 1 3/16-mile Arlington Handicap in early July. The move seems to have worked as Synchrony has displayed a wicked late kick in his two races since.

Stidham intends to point Synchrony to the Grade 1, \$1 million Shadwell Mile at Keeneland on Oct. 6 and would like to see him progress to the \$2 million Breeders' Cup Mile on Nov. 3 at Churchill Downs.

"We needed to see something like that today," Stidham said. "I got a little worried late, but then he exerted himself and kicked forward. Joe fits him like a glove."

Abiding Star shot to the lead in the eight-horse Red Bank and set splits of 23.44 and 46.97 seconds while being tracked by Conquest Enforcer. Synchrony, meanwhile, had broken a bit slowly and was saving ground in fifth position.

On the far turn, Synchrony began to advance along the inside as Irish Strait took on the leaders with a three-wide bid. Bravo had no way to get outside, so he committed to the inside for the stretch run. He was up to collar Abiding Star in midstretch and then pulled away, with Bravo easing up on him late as he scored by 1 1/2 lengths.

CONTINUED

“He was a little farther back today than the last time,” Bravo said. “He’s a killer horse. I had a little trouble holding the turn but everyone did because they were running fast.”

Synchrony is a 5-year-old son of [Tapit](#) who was bred and is owned by the Pin Oak Stud of Josephine Abercrombie, who was on hand for the race. He paid \$3.20 as the favorite and covered the distance in a sizzling 1:33.61. Synchrony made up about two lengths through a final quarter-mile of 22.90 seconds.

Irish Strait, who won the Red Bank a year ago, finished third, 1 1/4 lengths behind Abiding Star. Conquest Enforcer, who challenged for the lead on the far turn, tired to finish last.

The pace was slow, Elysea’s World was lagging back in last position, but in the end it didn’t matter as the 1-2 favorite wore down 11-1 Viva Vegas in the stretch to win the Grade 3, \$100,000 Violet Stakes at Monmouth Park by three-quarters of a length on Sept. 1.

The victory was Elysea’s World’s second graded score in a row at Monmouth. On Haskell Day, she ran down her Chad Brown-trained stablemate Dream Awhile to win the Grade 3 Matchmaker by a neck.

In the Violet, Bishop’s Pond set fractions of 24.78 and 48.75 seconds in the 1 1/8-mile grass race while being stalked by Viva Vegas. It was another length or two back to the trio of Celestial Insight, Armoire, and Special Edition, who raced three wide on both turns. Elysea’s World was last, several lengths farther back.

On the far turn, Viva Vegas replaced Bishop’s Pond on the lead as Elysea’s World made a quick move to contention outside horses under Joe Bravo. Elysea’s World bid for the lead outside Viva Vegas entering the final furlong but Viva Vegas dug in and the favorite had to work a bit for the win.

Elysea’s World was timed in 1:48.06 over firm turf and returned \$3 to win. She is 6 for 21 in her career with earnings of \$562,383 for owners Sheep Pond Partners and All Pro Racing.

“All you had to do was look at the board,” Bravo said. “Everyone knew who the right horse was.”

It was 3 3/4 lengths back from Viva Vegas to Bishop’s Pond, who held on for third.
